CIRCULAR

The Department of Production Technology is conducting an Alumni Talk on the topic “**What Industry Demands from Mechanical Engineers**” for the students of 6/8 Mechanical Engineering on 23-02-2024 from 3.00 PM to 4.30 PM in Prof. SRK Seminar Hall, Department of Production Technology, MIT Campus, Anna University. The talk will be delivered by **Mr. Mohamed Riyaz**, Managing Director, MRG Engineering.

About the Speaker:

Mr. Mohamed Riyaz is the alumni of Department of Mechanical Engineering, CEG Campus, Anna University (2006 batch). He is currently the Managing Director of MRG Engineering. He is also the founder of AUYPCT Trust. Mr. Mohamed has 12 years of experience in New Product Research, Mechanical Design, and Development of Special Purpose Machines, including Valve Actuators, Test Rigs, and Fixtures. With significant professional experience and a passion for knowledge sharing, Mr. Mohamed Riyaz aspires to share insights and real-world experiences that could greatly benefit the students of Mechanical Engineering.
