International Conference on Recent Innovations in Production Engineering (RIPE 2017)

March 24-25, 2017

Organised by

Department of Production Technology, Madras Institute of Technology Campus

ANNA UNIVERSITY, Chennai, Tamil Nadu, India.
ABOUT ANNA UNIVERSITY

Anna University was established in the year 1978 as a unitary type of university. It today has higher education in Engineering, Technology and Management studies relevant to the current and projected needs of the society. The University was formed by bringing together and integrating the well known Technical institutions in the city of Chennai such as College of Engineering, Guindy, Madras Institute of Technology, Chrompet, Madras College of Technology, School of Architecture and Planning. Anna University presently has 17 constituent Colleges across Tamil Nadu and about 500 Engineering Colleges under its fold. Together with AICTE, the University has been declared of "A" grade. Anna University is ranked 293 worldwide in the faculty of Engineering and Technology fields by Quacquarelli Symonds World University Rankings 2016.

ABOUT MADRAS INSTITUTE OF TECHNOLOGY

MADRAS Institute of Technology (MIT) is one of the premier Technical Institute situated in the year 1949 by Sir C. Rangan, an eminent industrialist. This Institute was the first in the country to introduce specialized branches like Aeronautical, Automotive, Electronic, and Instrumentation Engineering. It was merged with Anna University in the year 1978. Now the institute also offers Production, Rubber and Plastic, Computer Application and Mechanical and Electrical Engineering courses. A large number of alumni of MIT are in key positions in research and development organizations, multinational companies and educational institutions within the country and abroad. Dr. A. K. Abdukhamid, the former President of India, was one of the renowned alumnus of MIT.

ABOUT THE CONFERENCE

The Department of Production Technology is organizing an International Conference on Recent Innovations in Production Engineering (DRIFT 2017) in collaboration with the National Organization for Standardization of India (NOSI). The Conference will be held at Anna University, Chennai from 10th to 12th November 2017.

AIMS

The objective of the Conference is to bring together academicians, researchers, practitioners, and industrialists from various countries to share their experiences in the area of Manufacturing Technology. The Conference will focus on recent developments in the field of Manufacturing Technology. It will provide opportunities to professionals to share their experiences in different facets of the field ranging from fundamentals to applications.

SCHEDULE

The Conference will be held on 10th to 12th November 2017 at the Anna University, Chennai, Tamil Nadu, India. The Conference will be held over three days, starting from 10th November 2017 to 12th November 2017.

INSTRUCTIONS TO THE PARTICIPANTS

Papers submitted should not be previously published or currently submitted in any other journal. Authors will be informed whether the presentations are accepted for the conference.

DATES

Paper Submission: 10th April 2017
Notification of acceptance: 10th June 2017
Last date for registration: 15th July 2017
Late fees will be charged after this date.

JOURNAL PUBLICATION

After peer review process, all the accepted and presented papers, will be published as a regular issue of 08-09 March 2018 of the journal. The list of journals will be updated in the conference website.

IMPORTANT DATES

Notification of acceptance: 16th October 2017
Last date for registration: 20th November 2017
Late fees will be charged after this date.
