ANNA UNIVERSITY

MYT BLACK CREW

MIT CAMPUS

ANNUAL REPORT 2022-2023

The MYT Black Crew strives to unite aspiring young individuals from all departments and all backgrounds with a shared ardor for dance. MYTBC is committed to providing a nurturing space for students to explore, learn, and excel in various dance styles. Through dedicated training, collaborative performances, and meaningful connections, we aim to inspire and empower our members to push their boundaries, cultivate their artistry, and create unforgettable moments that resonate with audiences, leaving a lasting impact.

Vision: "To ignite a lifelong love for dance, fostering a community where creativity thrives, boundaries are broken, and self-expression knows no limits. We envision a world where everyone finds their unique rhythm and dances with unbridled joy, embracing the transformative power of movement."

Activities:

- The club conducts regular sessions for first, second, and third-year students to deepen their techniques, maintain their physical condition and build confidence.
- The club also encourages students with delightful dance content, showcasing their talent and passion through engaging posts on social media.
- MYTBC also orchestrated a surprise flash mob for "Happystreetschennai" in the bustling streets of Chennai.

- MYTBC organized the dance events for MITAFEST'23, an inter-college cultural event. Some of the key events include inter-college choreonite, solo, duo, and duo dance battles.
- The club actively participated in the promotion of automeet by organizing a flash mob, adding its dynamic presence to the event.

OFFICE BEARERS:

Apart from the team lead and other team members, the club operates without any hierarchical structure.

About MYTBC

The MYT BLACK CREW (MYTBC) is the official dance club of MIT endorsed by the authorities of Anna University.

The main goal of this club is to provide an opportunity for students to widen their knowledge of dance through active learning sessions and also to interact with other students who have a shared interest in this field.
