VISION OF ANNA UNIVERSITY

The vision of Anna University is to be a world class institution by producing professionals with high technical knowledge, professional skills and ethical values, and remain as a preferred partner to the industry and community for their economic and social development through excellence in teaching, research and consultancy. Anna University shall be recognized as a point of reference, a catalyst, a facilitator, a trend setter and a leader in technical education.

MISSION OF ANNA UNIVERSITY

Anna University shall contribute to the educational, economic and social development by

- producing students who are intellectually and technically equipped with well defined knowledge, skills and ethics who are creative thinkers, inspiring leaders and contributing citizens
- introducing high quality academic and research programmes and providing extension services in cutting edge technologies
- ensuring a supportive campus climate with dynamic leadership and development opportunities to meet the needs of the students, faculty and staff
- enhancing academic productivity through induction of quality faculty, accelerated graduation, credit banking, augmented continuing education opportunities and adoption of current technology
- sharing the intellectual resources and the infrastructural facilities among the academia from

other institutions and among the industrial society, funding agencies and government

- setting up a Global University Network Campus that embodies the ideals of an open, democratic and global society catering to the needs of the global community and satisfying cultural, ethnic and racial diversity
- expanding global participation spread across continents with the aid of interactive satellite based education and the usage of digital library
- enriching the national and international character of the University
- ensuring efficient administrative coordination and effective decision making through necessary reforms and by strategically allocating resources
- benchmarking against technologically sound global leaders with a view towards continuous improvement

ABOUT QCMIT

The Quiz Club of MIT is the official Quizzing club of the college. A club full of enthusiastic quizzers who are always thriving to learn new things, but we are not just restricted to quizzes with the standard question answers. We create quizzes with a twist, such that it sparks even a non-quizzing person to gain interest to take part. We organize and participate in various quizzing events.

VISION OF QCMIT

The Quiz Club of MIT aims to foster a community of enthusiastic quizzers who enjoy challenging themselves through trivia and general knowledge-based competitions. Members engage in regular quizzing sessions, participate in inter-collegiate events, and develop critical thinking and teamwork skills. The club strives to create an intellectually stimulating environment that nurtures curiosity and a thirst for knowledge.

MISSION OF QCMIT

The Quiz Club of MIT aims to:

- Create a community of quizzers within MIT who are passionate about learning, sharing knowledge, and challenging themselves to be their best.
- Encourage members to explore a wide range of topics and subject areas beyond their academic curriculum.
- Provide a platform for students to develop their critical thinking, communication, and teamwork skills through quizzing.
- Organize events and competitions that foster healthy competition and collaboration among its members, as well as with other institutions.
- Participate in inter-school/inter-collegiate events and showcase the talent of its members.
- Promote quizzing culture in educational institutions surrounding MIT by conducting myriad open quizzing events.

EVENTS

Over the past few years, we have been very active in our ventures. Right from organizing inter college quiz competitions to taking part in national level contests. The pandemic did not form a barrier for us, as we still conducted various quizzes through virtual platforms. Here is a timeline of events that we have conducted in the span of 2020-2022.

2020

1. BLITZKRIEG '20:

The annual flagship event of QCMIT, was conducted in March 2020 in offline mode. The event was a huge success which saw a huge participation from various colleges in and around Chennai.

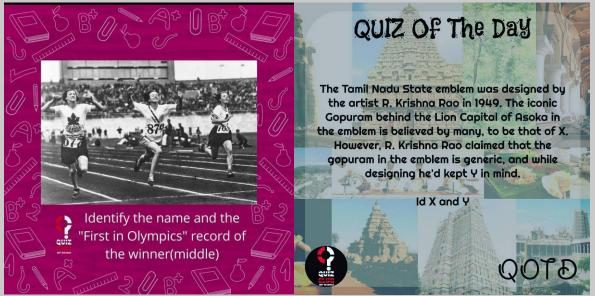

2. DAILY QUIZZES:

During the lockdown period, QCMIT conducted many quiz sessions on the club's Instagram handle. The team came up with a question every day, pertaining to a unique theme ranging from Sci-Tech to Fandom, Movies and Sports, and this spanned over a period of 5 weeks.

3. FRESHER'S QUIZ:

The team virtually conducted a general quiz curated specifically for MIT's brown Taggers (then first-years).

2021

1. FAREWELL QUIZ:

This quiz was conducted by 2021 passed-out seniors as a virtual event.

2. BLITZKRIEG '21:

This inter-college flagship quiz event of QCMIT was conducted virtually owing to the pandemic and included 3 rounds with hundreds of participants from other colleges.

8 | P a g e

3. THE REDHEADS QUIZ:

This quiz session was conducted by the Red Taggers (then second years). It was a virtual event with a general theme.

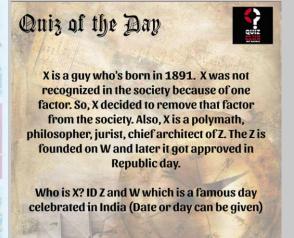

4. QOTD Sessions:

QOTD (Question of The Day) was posted on Instagram with 6 themes for 6 weeks: IPL, History, Football, Gaming, MELA (Music, Entertainment, Literature, and Arts), and 'Namma Tamil Nadu'.

QUIZ OF THE DAY

"X was totally insane, but we enjoyed every minute of it. It was basically a joke, but a successful joke. We had to record it in three separate units. We did the whole beginning bit, then the whole middle bit and then the whole end. It was complete madness. The middle part started off being just a couple of seconds, but Y kept coming in with more "Z" and we kept on adding to the opera section, and it just got bigger and bigger. We never stopped laughing ... It started off as a ballad, but the end was heavy."

These are the words from a famous English record producer. Id X,Y and Z

5. General Quiz – Spontania:

PDA MIT collaborated with QCMIT for a quiz session conducted as a part of PDA's flagship event, Spontania.

Q05D

QOFD

2022

1. FANDOM QUIZ:

We began the new academic year with an icebreaker quiz for our new recruits so that they could understand the working and the agenda of the club.

2. BLITZKRIEG '22:

This edition of our flagship event was conducted offline after the pandemic. The event consisted of a qualifier, two semi-finals and a grand finale quiz. It saw participation from nearly 30 college teams.

3. MITAFEST QUIZZES:

QCMIT conducted Fandom Trivia and General Quiz in collaboration with MIT Athenaeum as a part of MITAFEST'22.

4. Collaboration with BRO-MIT:

We collaborated with one of The Box Office's newfound branches Book Reader's Organization-MIT to conduct a quiz for all bibliophiles. Having the signature rounds of QCMIT like pounce/bounce, long visual connect etc., the event was a grand success seeking a wide range of participation.

COMMUNITY OUTREACH

QCMIT is also committed towards developing a quizzing community outside MIT. To ensure this we partnered with the Tamilnadu Science Forum to conduct a "Science & Technology quiz" for middle and high school students in November, 2022. Fifty teams from schools in Chennai and districts surrounding Chennai participated in the quiz. Members of the club got the opportunity to be quiz masters and assist the officials from the Forum. It was a great opportunity for the club to promote quizzing culture and aptitude for science to young minds.

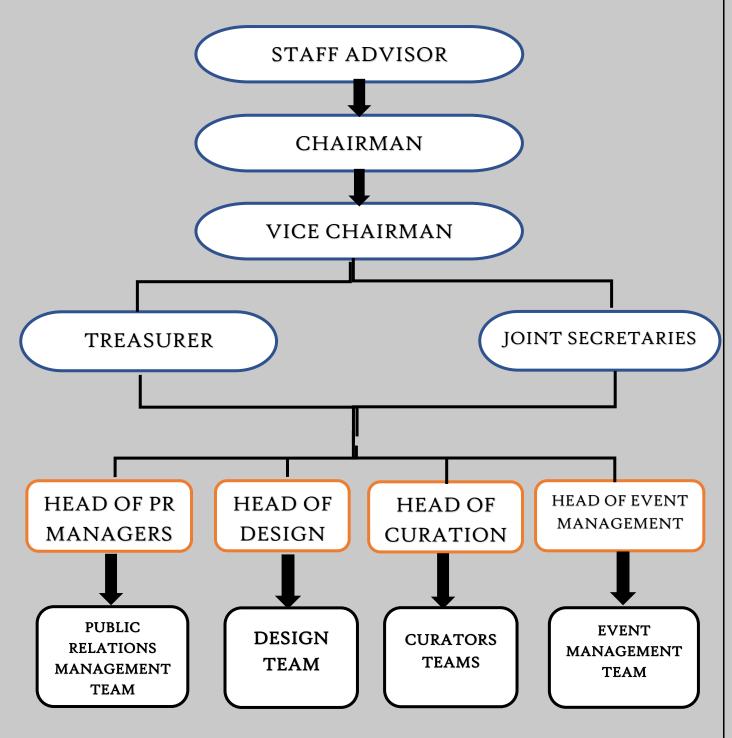

LEADERSHIP STRUCTURE

TEAM ROSTER

STAFF ADVISOR: Dr. A. R. S. Jayanth

The Staff Advisor overlooks the overall functioning and working of the club. He also guides the student office bearers on how to run the club and supervises the events conducted.
